After a year of research and development, the first version of the *Smartphone* was released in 2010. The first smartphone was a success, and the company's market share increased rapidly. The following year, the company released a second smartphone, the *Smartphone 2*, which was even more successful. The company's market share continued to grow, and by 2013, it had become the largest smartphone manufacturer in the world.

and the *Journal of the American Statistical Association*.

Chap. 10: The Development of the Early Modern English Nation

After the initial phase, many other studies have followed, including the *Health and Safety Executive - Health and Safety at Work* programme.

1. **What is the primary purpose of the study?** (1 point)

1. **What is the primary purpose of the study?** (1 point)

ANSWER: **1. 1000** **2. 1000** **3. 1000** **4. 1000** **5. 1000** **6. 1000** **7. 1000** **8. 1000** **9. 1000** **10. 1000**
